Tapestry

Tapestry is digital learning platform and a way we can communicate and share things with each other.

If your child doesn't attend Phoenix Nursery you will need to sign and return the Tapestry declaration. After you have returned it you will get an email to activate your account.

You will get notifications when a photo gets put on your child's journey so you will be able to see what your child is doing through the week instantly.

We will also add messages, reminders and weekly updates

Tapestry will be our main point of communication for letters and messages so it is really important you can access it. If you do need any support please don't hesitate to get in touch

We need you! Your contributions are so important! You can share any achievements and great things your child has been doing out of school as part of our **AWESOME ACTIVITIES**
