

GOLD RIBBON RUN

19th September 2024,

Dear Parents and Carers,

On Friday 27 Sept your child is invited to take part in our sponsored 1km Fun Run at Phoenix! The run will be adapted for our younger children in nursery and F2. The children will complete this during the day – photos will be posted onto Seesaw and Tapestry.

We are running for Children's Cancer and Leukaemia Group, and we have provided children with sponsorship forms today allowing them to collect donations from family and friends. We hope everyone will have fun while raising money for a cause that is close to our hearts.

It will be a non-uniform day and children are encouraged to wear gold/yellow clothing that is suitable for running, but also for the weather that is forecast that day. If there is heavy rain due on the morning of the run, we may have to postpone and we will advise you of the rearranged date. Runners will also need their water bottle.

As well as the sponsored run there are gold ribbon pins available from school Reception for a suggested minimum donation of £2.

We appreciate the topic of childhood cancer is sensitive and are mindful of this when speaking about this in school. An information video is on this page of our website.
