

## Brilliant Beginnings - Key Stage One, Summer 2

Dear Parents/Carers,

During the second half of the Summer Term our topic will be 'Fire Fire!'. This is a history based topic which includes learning about The Great Fire of London.

To start this topic we would like the children to complete a piece of work at home. Examples of this could include:

- What fire is used for
- How to stay safe with fire
- What fire needs to burn
- What fire looks like

They can demonstrate this through pictures, computer research, art and design, writing or any other ideas that you may have.

The children's work will be shared with the class during the first weeks back and will then be displayed in the classroom for the remainder of the Summer Term.

Many thanks for your continued support,

The Key Stage One Team
