

Key Stage One

Brilliant Beginnings Autumn 2026

In the Autumn term the children will be learning about our local area. Our topic is 'What is it like to live in Gedling?'

The children will be looking at the countries that make up the United Kingdom and locating Nottingham on a map. They will also be learning all about the area where they live and around our school.

Over the summer holidays please can you talk to your child about their home address and about what is near to your house such as parks, shops, doctors, dentists and churches along with anything else you have near your home.

The children could draw a map of their way to school, or they could draw what is near to their house. They could also have a look at their house on Google maps.

Please bring in any work for our classroom display the first week back in the Autumn Term.

Thank you for
your support.
