

This term we have been busy getting ready for transition. Good transition eases anxiety and ensures the children settle straight into learning in September. This involves lots of careful planning to ensure that the children continue to thrive and enjoy school.

Behind the scenes lots of staff meetings have focused on this to ensure the teachers and teaching assistants have information about each child both academically as well as pastorally. Staff have been informally getting to know the children through story swap sessions and popping into the classes. On Friday 28th June all our families were given a letter with details about their child's teacher for the next year. On Thursday 4th July your child will come to school as usual, but they will spend the morning with their new class teacher. Please bring children moving into Year 1 and 2 to the main playground and staff will signal where to line up. If your child is in Year 2 and moving to Priory, then please take your child to Priory and go into the main playground for 9am. The children will come back to Phoenix for their lunch as usual. Final year end reports detailing your child's achievements will be sent out on Friday 12th July.
