The Autumn Term parents' meetings take place soon and you can sign up now for an appointment- see the links below. This is where you will be updated on how your child has settled into school or their new class. You will have a chance to look at your child's classroom, class floor books and in KS1 take a look at your child's learning in their books. We have lots of positives to share about your children - the start of term has been calm and settled with the children showing us that they are ready to learn.

Attendance

In KS1 attendance is currently 97.4% and in Foundation 95%. That's a positive beginning! We know that our younger children do get lots of bugs when they first start, and this has some impact early on.

We are aiming for attendance of 97% as a school as everyday counts. We are in contact with families where attendance is a concern to ensure that this improves quickly where needed. Here is a reminder about expectations and actions [attendance-update-for-parents-and-carers-phoenix.pdf](https://forms.gle/attendance-update-for-parents-and-carers-phoenix.pdf) ([primarysite-prod-sorted.s3.amazonaws.com](https://forms.gle/attendance-update-for-parents-and-carers-phoenix.pdf))

Thank you for your support.

ATTENDANCE MATTERS

Despite the awful weather forecast, the sun managed to come out as the children took part in the fun run, a joint event with Priory Junior School, to raise money for an amazing cause - the Children's Cancer and Leukaemia Group, a cause that is very close to our hearts. Take a look at this video for a short reminder about the work of CCLG.

We have been absolutely overwhelmed by our community's support and we will let you know a final amount raised on Friday 4th October. Sponsor money can be sent in all this week. Thank you again.
